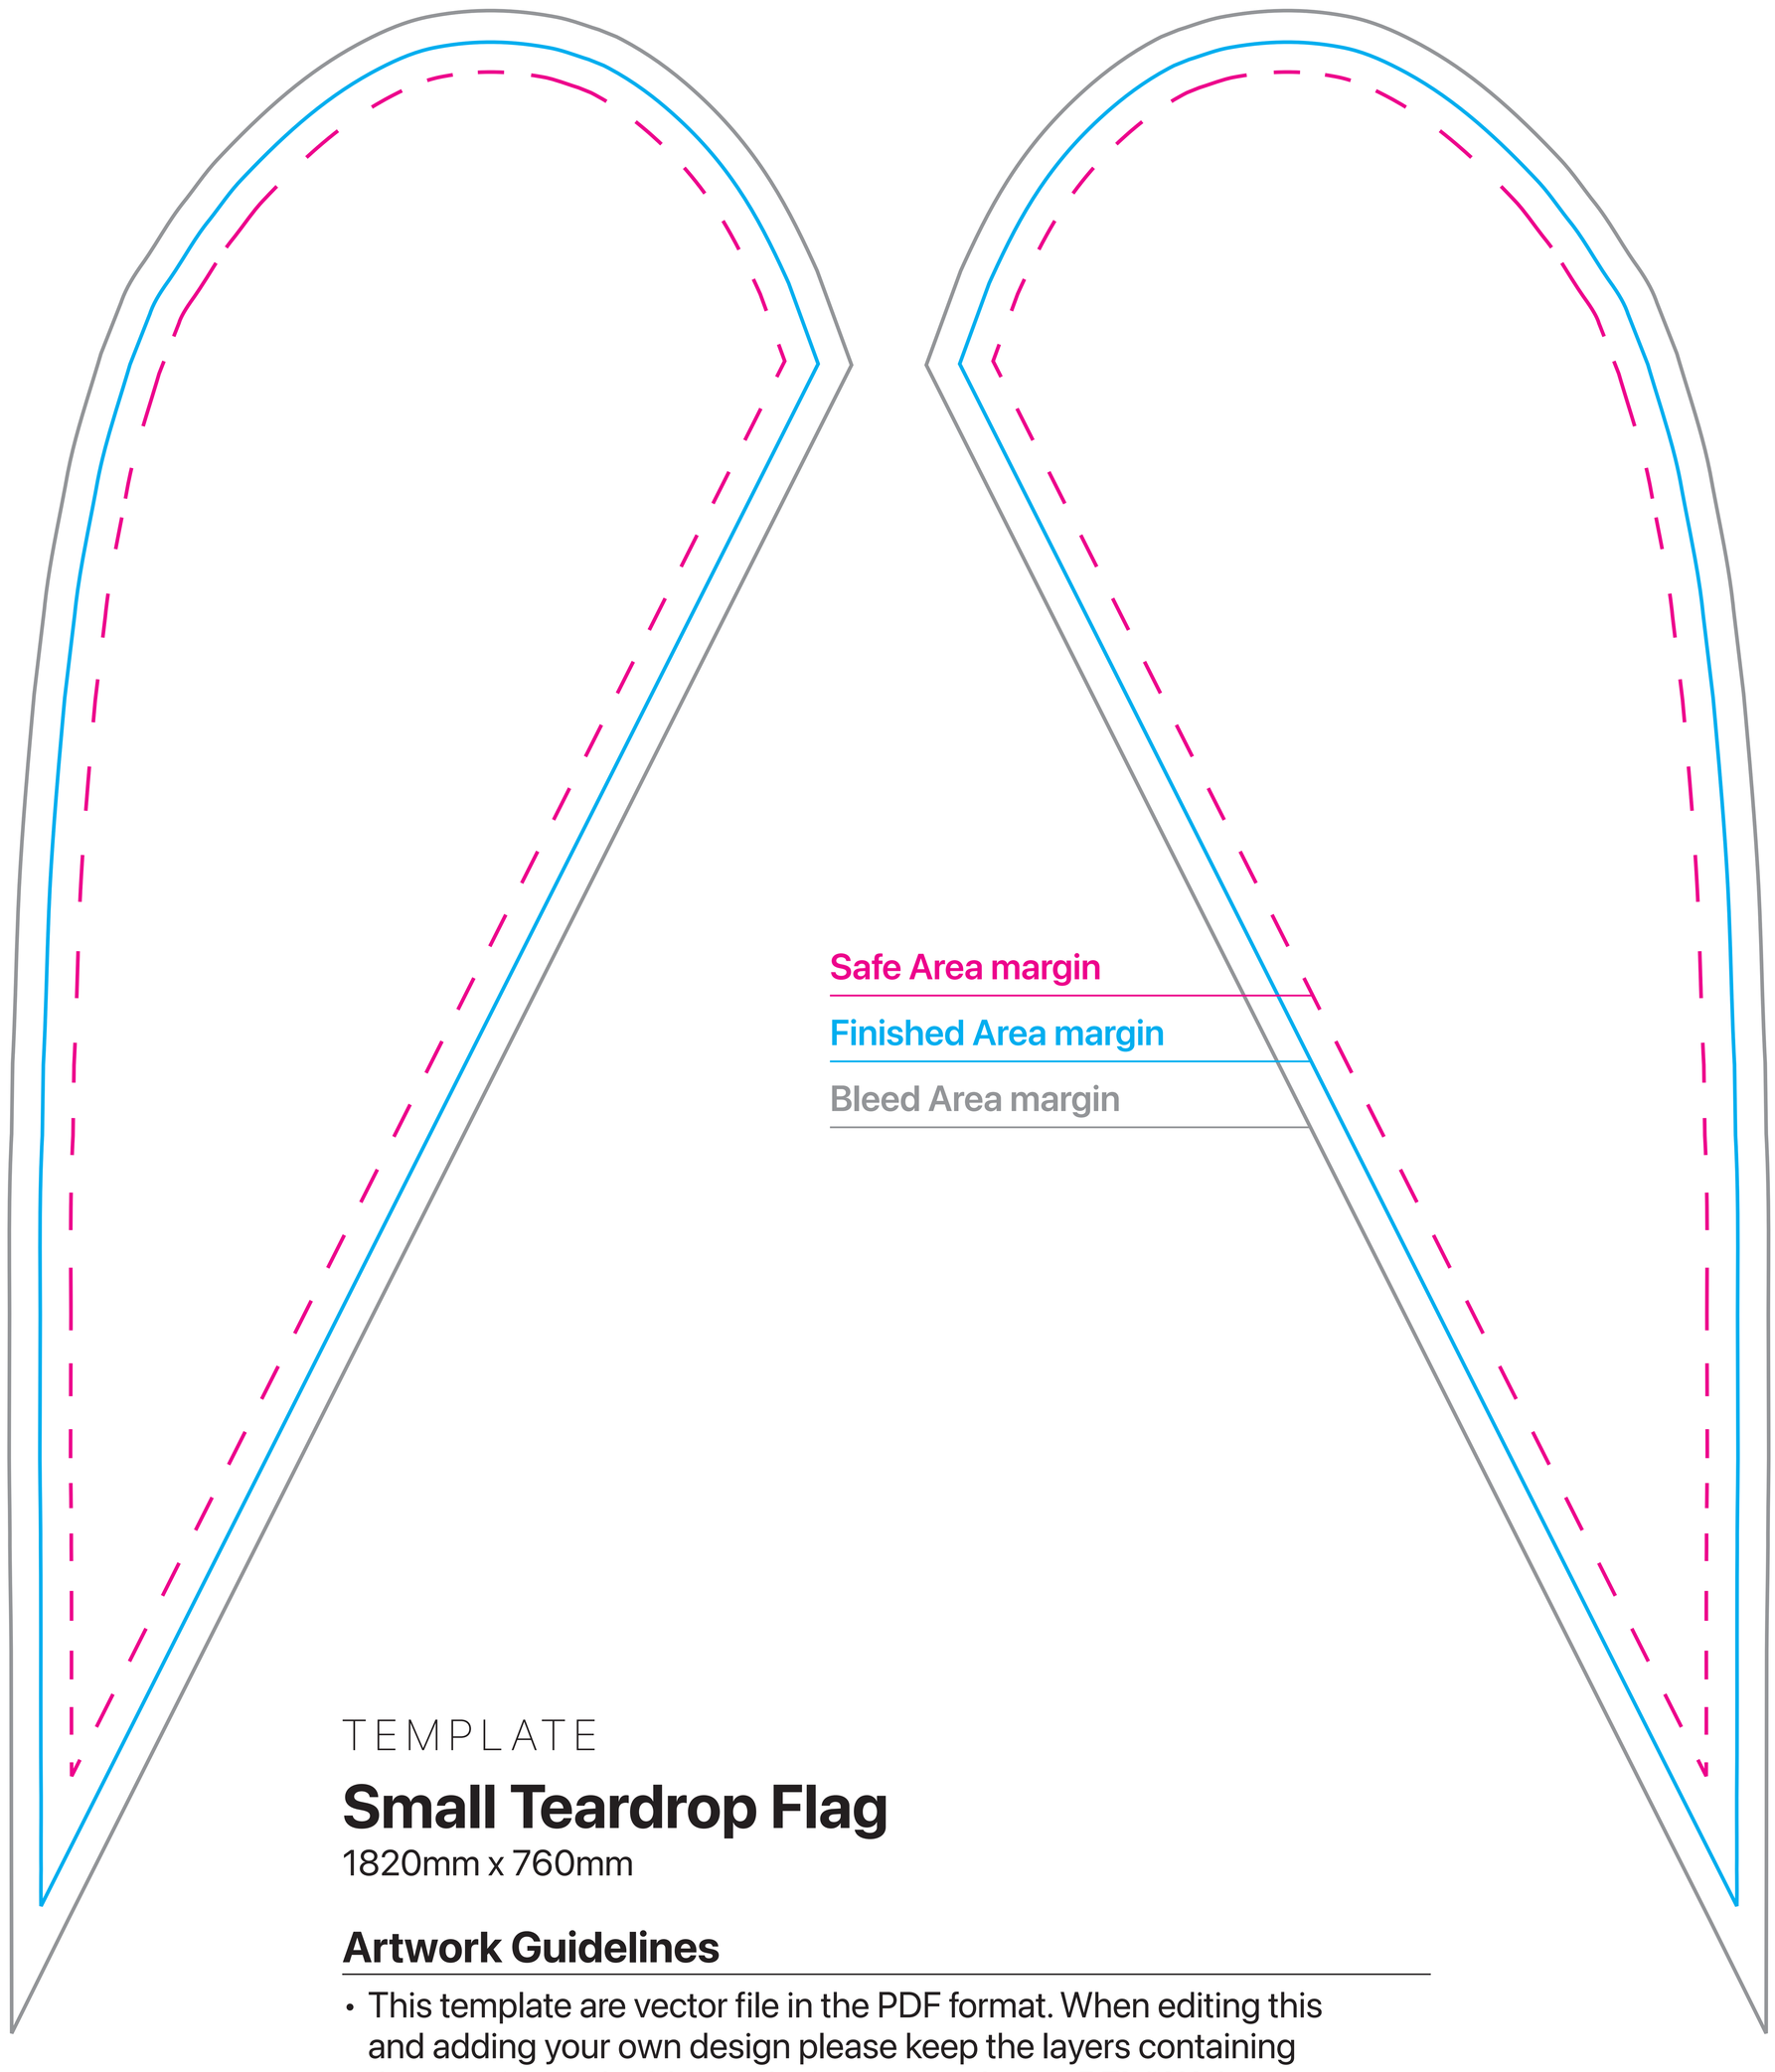
warehouse stationery



TEMPLATE

Small Teardrop Flag

1820mm x 760mm

Artwork Guidelines

- This template are vector file in the PDF format. When editing this and adding your own design please keep the layers containing the margins and add your design on new layers **BELOW** these.
- When adding bitmap images maintain a resolution of 300 dpi.
- Keep main images and text within the *Safe Area* margin.
- When using a background image or colour extend this to the *Bleed Area* margin.
- The *Finished Area* margin shows where the flag will be trimmed during production.
- Note that the coloured margins on the template will **NOT** be printed on the final flag.

Print File Guidelines

- PDF or Illustrator files are best (vector files)
- Maximum file size of 50 MB
- Embed any images used (no external file references)
- Outline all fonts used

When complete, please email your artwork to **artwork@wsdesign.co.nz**
